

Note: Also available in a longer length of 44". All other dimensions as represented in the diagram above.

MADISON FLOWER BOXES

Madison Flower Box Planters are made of high-density polyethylene material. Now available in Black and White, Madison planters are durable and lightweight and have a simple, effective water-minder™ feature that provides for less watering. Standard lengths in 34" and 44" available, along with two brackets for hanging.

Size LxWxH	White	Black	Case/Pack	Soil Capacity*	Water Reservoir Capacity
34x11x12"	18342	18348	1	36	2.38
44x11x12"	18442	18448	1	48	3.53

*Soil capacity measured one inch from top of container in dry quarts.
