

MADISON PATIO PLANTERS

Madison Patio Planters are made of high-density polyethylene material. Now available in Black and White, Madison planters are durable and lightweight and have a simple, effective water-minder™ feature that provides for less watering.

Size LxWxH	White	Black	Case/Pack	Soil Capacity*	Water Reservoir Capacity
18x18x18"	18182	18188	1	56	3.75

*Soil capacity measured one inch from top of container in dry quarts.
